Sir,

Regularising expenditure incurred on account of establishment for compost work against a temporary establishment sanctioned for Octroi work in Gundlupet Municipality

---

In forwarding herewith, a report No C 13 of 47-48 dated the 4th November, 1947 received from the President, Town Municipal Council, Gundlupet on the above subject, I have the honour to state that at the request of the Municipal Council, Gundlupet, for sanctioning an additional peon for Octroi work during 1-45, due to increase in [illegible], the appointment of an additional peon on Rs 10/- was sanctioned by this office temporarily for a period of one year from the date of appointment under Rule 27 (B) of [illegible].

Against this appointment, the President entertained a peon on the same pay, but for a different purpose viz., preparing compost, the Council having sanctioned an estimate for Rs 230/- at the time submitted by the Sanitary Inspector, who had returned after training under compost scheme vide Resolution dated the 5th which is enclosed. Sanction should have been obtained by the President for the entertainment of a peon for compost work seperately before appointing him. This was an irregularity which was noticed by the Auditor during his inspection of Municipal accounts for 45-46 (vide copy of the objection enclosed). Provision, no ever had been made in the Budget for 45-46, for compost work, and it was

mc73-47 2789

and it was sanctioned also

The President states that the irregularity noticed would not be repeated in future and requests that action taken by the Council might be approved

The peon is entertained with effect from 21-5-1948 on Rs 10/- plus Rs 8/- I request in the circumstances, that sanction of Government may kindly be obtained to the appointment made by the Council so that the irregularity noticed might be regularised

I have the honour to be,
Sir,
